YSGOL I.D. HOOSON

12.05.21

Dear Parent/Carers,

2022 Curriculum

As the school prepares for the new 2022 curriculum, we are eager to gather the views of all stakeholders as we create our school's vision for our new curriculum in Ysgol I D Hooson. The focus of the new curriculum are **4 core purposes** which state that all our children and young learners become:

Enterprising, creative contributors.
Ethical, informed citizens.
Healthy, confident individuals.
Ambitious, capable learners.

Your input into planning our curriculum would be valuable. Therefore, it would be much appreciated if you could please note down any thoughts in terms of what you feel would be the key elements which need to be included in the curriculum which will respond to these four core purposes. Please state what you feel should be an essential part of the curriculum we prepare and deliver to the children at Ysgol I D Hooson. The following are some ideas for your feedback. Please note your thoughts in the space below, returning to your child's class teacher by **Monday May 17th**.

Independent learners Aware of the world around us

Aware of their own culture and heritage

To become respectful individuals Opportunities to develop creatively

Opportunities to practice and develop life skills

To prepare the child for life in an ever changing world Prepare for real life situations

What I feel should be included in a curriculum for Ysgol I D Hooson?

Enw/Name: _____

Thank you for your time in responding to the information, and for your continued support and co-operation.

Yours sincerely,

Rhodri Jones
Headteacher
