

YSGOL I.D. HOOSON

04.01.21

Dear Parents / Carers,

I hope you've all had a safe and peaceful Christmas. It has been a different Christmas to us all, and we hope we can all have a happy and better new year.

As we are not in a situation to be able to welcome the children back to school this week, the on-line and distance learning arrangements will be in place for this week, through the activities arranged by the classteacher. These can be accessed through your child's Hwb account and Google classrooms. Although this is not the situation we would prefer to be in, we would encourage the children to have a go with some of the activities available to them. ICT is not required for all activities, as some activities can be completed on paper.

There is also an opportunity for you to collect paper copies of activities if you wish. The arrangements for the collection of these resources are as follows. **If you wish for the classteacher to prepare paper copies, then please inform your child's classteacher by 10 o'clock on Tuesday January 5th.** This will enable the classteacher to prepare the resources for your child. The timetable for collection is as follows. You will be able to collect the resources from a box located outside the hall door. Your child's work will be in a folder, labelled with your child's name. We kindly ask you to only collect during the specific collection window, and also to wear a face covering.
